Childcare & development center

**Encouraging children to think
and act independently, yet with
respect for others.**

Welcome to Children's World!

Teach Children by using their own ideas and interests

We focus on project based learning for children as per their interest. Fun and interesting framework and with a self-chosen theme that inspires understanding.

About Us

As an innovative child care center we strive to offer you and your child the safest and best day care Nepal has to offer. Significant research and planning has gone into the details to ensure your child gets the most out of their time, and that you get the best for your child.

Philosophy:

- ✦ We believe the early years of life build a structure for lifelong learning.
- ✦ We believe in the self-respect and significance of all children.
- ✦ We believe that social and intellectual skills are best learned in an environment where self-esteem is nurtured and respect is unconditional.

We ensure:

- ✦ Nutritious and healthy meals
- ✦ Child Safe and homely environment
- ✦ Hygienic Care and Methodology
- ✦ Trained and skilled Caregivers/Teachers
- ✦ Focus in individual development and nurturing
- ✦ Individual beds and Cribs for children
- ✦ High quality imported toys and supplies
- ✦ Nordic Preschool Partnership and support

Programs We Offer

1. Full day childcare for babies 6 months – 1 year old

As part of this program we offer personalized schedules in caring environment for feeding, activity, sleep and recreation. The main focus for this group is nurture, care and motor development. We ensure time is spent indoors and outdoors for children to explore in a safe and stimulating environment.

Timing: 9 am – 5 pm (Sunday – Friday)

2. Full day childcare for Toddlers - 12 to 36 Months

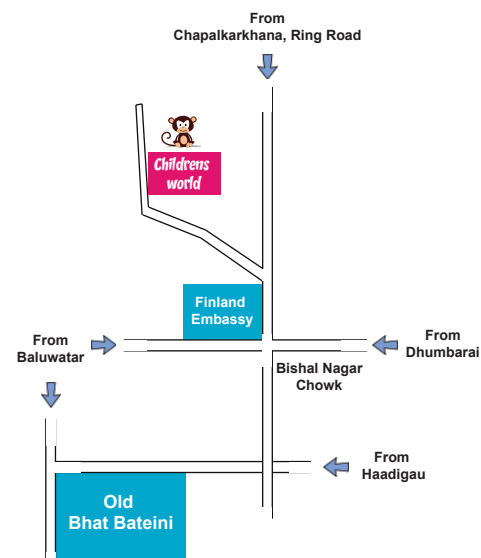

With this age group we focus on mental and physical development. Our teachers are there to guide and encourage social interactions for toddlers. At this stage we also implement habits of reading, self serving, and potty training to assist parents. Activities include wide range of age appropriate educational toys that will encourage your child's development and, as she gets older, stimulate creative, imaginative play.

Timing: 9 am – 5 pm (Sunday – Friday)

3. Partial day childcare for kids - 12 to 36 Months

This is a 6 days per week program with 5 full hours of care and development.

Timing: 9 am – 5 pm (Sunday – Friday)

**Support Children to become confident
